### INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

### History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Special Commissioner of the Court of Claims

Sir,  
Referring to your letter of December 4 th 1907, relative to my application No 4062, as a descendant of Eliza Keys, will say that the error was made by me in stating my case to the Notary on enrollment, My Grandmothers name should appear on the rolls of 1851 as Eliza Adair instead of Eliza Keys, My Grandmother was married three times, her first husband being Keys, her second husband was Adair, and her last husband was named Meurey, by her first marriage she had three children Alice V. Keys Catherin Keys and George G. Keys, sometimes called George Adair, after his step-father, by her second marriage she had two children, Benjamin Adair and Eliza Adair, Eliza Adair married a man named Marcum, Benjamin Adair was my father, by her third marriage she had one daughter Nannie Meurey who married a man named Clarence Turner. My Grandmother was living in Tahlequah District in 1851, her maiden name was Gunter daughter of Edward Gunter,

This is a true statement of the family history.

Yours Very Truly

Alice Tittle,

App. #4062.

Alice Tittle,

Madam:-

Relative to your application #4062 for share of money appropriated for the Eastern Cherokee Indians. you state that you claim as a daughter of Benjamin Asair, deceased, whom you say was son of Eliza Keys, who should appear upon the roll of 1851, said Eliza Keys having a brother George, and sisters Alice and Mary Keys. I cannot find any of the names you have given upon the roll of 1851. By what name was your grandmother, Eliza Keys, known in 1851? What was her husband's name? Where did the said Eliza Keys reside in 1851?

Your prompt reply will be appreciated.

Very respectfully,

Special Commissioner.

I live in Marble, Cherokee County, . . . I am 67 years of age. I have lived in Cherokee County all my life; was born in Marble. I do not claim Indian descent through any of my ancestors on my father or mother's side. I claim a right to participate in this fund through my husband, Andrew F. Taylor. My husband died in 1895. I have some children living by my deceased husband. Alvin J. Adams, my daughter is 48 years of age. She lived at Marble, . . . Cordelia Gibbons, another daughter lives in the West. She is ~~is~~ about 40 years of age. My husband, Andrew F. Taylor, claimed Cherokee Indian blood. He died in the Indian Territory. He lived there four or five years. Before going West he lived in Cherokee County. I think he was born in Tennessee. He lived in Cherokee County most of his life. He was born in 1826, and lived in Cherokee County in 1845. He was recognized as a white man. He was a doctor. He drew rations and blankets at the Indian school in Indian County and the children went to the Indian school. I was married to A. F. Taylor in 1858. Andrew died in 1895. Andrew F. Taylor and his father's family got something like \$4,000 from the government in 1888. He went West about 1895. He had been West before that time. This was before I was married. My husband's first name was Lewis Taylor. He lived on Valley River. He never went to the Territory. He died here.

WASHINGTON, D. C. December 4, 1907.

Ross Boland,

Porum, Okla.

Sir:-

Relative to your applications #4081-#4090 for share of money appropriated for the Eastern Cherokee Indians, you give as the name of your father, Jute-kete, but the name, as you have given it, does not appear on the roll of 1851. Had your father any name other than that you have given? That is, an English name? If so, what was it, and what was it in 1851? Under what name was he enrolled in 1851? What was your mother's name other than that you have given? What were the names of her father and mother?

Your prompt reply will be appreciated.

Very respectfully,

Ross Boland,

Porum, Okla.

Sir:-

Relative to your applications #4081-#4090 for share of money appropriated for the Eastern Cherokee Indians, you give as the name of your father, Jute-kete, but the name, as you have given it, does not appear on the roll of 1851. Had your father any name other than that you have given? That is, an English name? If so, what was it, and what was it in 1851? Under what name was he enrolled in 1851? What was your mother's name other than that you have given. What were the names of her father and mother?

Your prompt reply will be appreciated.

Very respectfully,

Special Commissioner.

Relative to your application #4113 for share of the fund appropriated for the Eastern Cherokee Indians, will say, I am unable to locate your name on the roll of any Cherokee Indian on the roll of 1831 or the roll of 1835 from the name given in your application. You say you were born in South Carolina in 1843. If you were an Eastern Cherokee Indian by blood, why were you not enrolled in 1831, and why were your father and mother not enrolled? I am sending you a list of the rolls which you will please fill in and return to this office at your earliest convenience. Please have the names written as follows: John Smith, Billy Barker, part white woman and part Indian, George Washington and John Adams and their parents part white and part negro, or part white and part Indian? Were the said parents of your mother slaves? Was your mother a slave? Were you a slave at any time?

Your prompt reply will be appreciated.

Very respectfully,

Special Commissioner.

notice  
7/29/09.

Sheltonville, Ga. July 23-1909

Hon. Gideon S. Miller.  
Washington, Ga.

Dear Sir:-

On July 8 my brothers Albert M., Niebur C., George A., myself and minor child and my wards Virgil E. Keen and E. Mary McNair, and William A. Bell were all notified that our Indian claims had been allowed, but my sister, Mary Jane Bell has not been notified of her acceptance.

Her Application no is 4119. By reference to the list of accepted claimants in the clerk's office at Alpharetta Ga. I find the record as follows: Mary Jane Bell, age 51, Sheltonville, Ga., Application no. 4119, Roll no. 4772. This is evidently my sister referred to, but since you set out in your notification circular instruction to retain it and to present it at time of payment, I thought it best to direct your attention to the fact that my sister above named had not been notified.

Yours very Truly  
Walter L. Bell.

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,  
EASTERN CHEROKEE ENROLLMENT,  
601 OURAY BUILDING,  
WASHINGTON, D. C.**

Sir:

Your letter relative to the Eastern Cherokee enrollment is at hand, and you are advised that your application has been given a preliminary examination but it has not yet been finally acted upon.

More than 44,000 applications have been filed and in many instances testimony will have to be taken locally in order to obtain the necessary information to pass upon the claims. Some of this testimony has already been taken and several parties are now engaged upon this work, but it will necessarily take considerable time to complete the taking of testimony and the final adjudication of the claims.

If we are unable to reach a conclusion as to your case you will be notified to appear before one of my assistants at some convenient point to furnish the additional testimony required.

Very respectfully,

GUION MILLER,

Special Commissioner.

Sir:-

Your letter of recent date relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 29,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If any further information is required in connection with your application you will be duly notified.

Madam:-

Replying to your letter of September 12, 1907, you are advised that the time for filing applications expired on August 31, 1907, but your application has not yet been reached for final determination.

As there are over 43,000 applications on file it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

When your application is taken up for consideration you will be notified if there is any further information required in connection with the same.

Very respectfully,

Special Commissioner.

NLC.

Mary McIemore,

R.F.D. No. 6.

London, Tennessee.

Sir:-

Replying to your letter of recent date relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokee fund will be paid, you are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

App. #4140.

December 4, 1907.

Margaret A. Lance,

Ivy Log, Union Co., Ga.

Madam:-

Relative to your application #4140 for share of the fund appropriated for the Eastern Cherokee Indians, you give as your ancestor of Indian blood one Nancy Griffie, whom you state was on the roll of 1851, but neither the name of Nancy Griffie or Nancy Redman appear upon the rolls of 1851 or 1835. Do you know the names of the parents of the said Nancy Redman? If so, please give them.

You state in your application that you were born August 4, 1838 in Union County, Ga. If you are of Cherokee Indian blood, why were you not enrolled in 1851? Why was your mother, Cynthia Swain, not enrolled in 1851? Was your mother, said Cynthia Swain, of Indian and white blood, or of Indian and Negro blood, and did she at any time belong to the Cherokee Nation as a slave? Were you ever held as a slave by the Cherokee Indians? Was your father, Enoch Swain, ever held as a slave by the Cherokee Indians?

Your prompt reply will be appreciated.

Very respectfully,

Special Commissioner.

John E. Johnson,

Kyle, Macon Co., N.C.

Sir—

Relative to your application #4151 in which you claim to share in the fund appropriated for the Eastern Cherokee Indians through your mother, Margaret Johnson, your grandfather, William H. Martin, and great grandfather, Joseph Martin, and whom you say was one half Cherokee, will say that the names as you have given them do not appear upon the rolls of 1851 or 1835. Do you know of any reason why your grandfather, William H. Martin, was not enrolled in 1851? Was your great grandfather, Joseph Martin, half Cherokee Indian and half white man, or was he half Cherokee and half Negro? Did he ever belong as a slave to the Cherokee Indians? Was your grandfather, William Henry Martin, part Negro and part Indian, and did he belong to the Cherokee Indians as a slave? Of what nationality was your father, Aaron Johnson—that is, to what race did he belong? Was he part white and part Negro? I am enclosing you a list of questions which you will please fill in and return to this office at your earliest convenience, and oblige,

Very respectfully,

LBD/AIL

The Commissioner of

Dear sir:

We have heard thru  
one Mrs. Check Brewer  
whose P.O. is Grove IT, that  
all the Ratleys who lived  
in the Illinois Dist., are  
~~all~~ dead. Allen Ratley was  
my father's uncle (he (Allen  
Ratley) being a brother to  
my father's mother.

The reason we did not put in  
claim for Allen Ratley was  
because we thought Wallace Ratley  
a son of Allen had children.

living. We know not what relation Polly Ratley, Minerva Ratley and Lucy Ratley are to us nor to the rest of the family.

Mrs. Brewer said (so we heard) that one Nan Scott whose maiden <sup>name</sup> was Ratliff had put in a claim for Arch Robertson thinking his mother was a Ratliff instead of Ratley.

You see she got the two names confused. Her P.O. is Fort Gibson, I.T.

Mrs. Brewer says the Ratliffs and Rattles are no kin.

Mr. Cheek Brewer was a Ratliff herself.

We would like to have the

matter investigated.  
 We had another relative  
 but we know not what  
 him, who went by the name  
 of Old Jenny. Before the war  
 she lived with my father's  
 family and with the Allen  
 Ross family.

His Cherokee name was  
 Uck-i-law hi.

We would like very much  
 to have these names added  
 to claims No. 4155, and  
 4156.

Respectfully,
